Track progress and achievement

Get weekly emails to gently nudge you towards your goal and a dashboard to track progress.

Free digital workbook

Download a free e-workbook for quick access to key information, advice and tips.

BidCraft India is an APMP Approved Training Organisation that helps you achieve APMP certification as part of your professional development journey.

Wonderful training

“Thanks for a thorough overview. The format of this training is excellent, and breakout of the material is remarkable. The clear design is very helpful and I like how it is designed with the 8 syllabus areas on the exam. The format of the training videos is really easy to follow and I feel set up for success on the exam.”

APMP certification is the global standard for developing and demonstrating bid, proposal, and capture competency

This is a brief introduction to the new APMP Executive Summaries micro-certification. We cover the new Body of Knowledge topic and give you links to practice and buy the exam.

Free!

Foundation Level certification demonstrates knowledge and understanding of bid and proposal management best practices and a commitment to your own professional development.

Proposal professionals with 1 to 3 years of experience.
